

Malawi Campaign 2022

Hello friends of the *Warm Heart of Africa*,

Thank you for your ongoing generosity, prayers, and commitment to our partners in ministry in the Evangelical Lutheran Church in Malawi.

In consultation with Bishop Joseph Bvumbwe and the ELCM staff, we have learned about some of the most current challenges in Malawi. Some of these difficulties are ongoing effects of the pandemic, some are a direct result of the recent wide-spread damage done by cyclone Ana, and some are familiar ministries that we continue to support for the purpose of community health, education and sustainability.

Below is a list of individual ministries & projects that have risen up as priorities this year through the ELCM.

- Cyclone Ana Relief
- Feeding Stations
- Motorbikes for Pastors
- Harold and Kathy Oelschlager Education Scholarship
- Orphanages
- Deep Drilled Borewells
- Literacy Project
- Pastor Salary Relief
- Pastors' Academy

If you, your household, or your congregation feels called to give a financial gift toward one of these ministries, you can do so in one of two ways:

Send a check to: The Northwest Synod of Wisconsin

(*Please indicate which area of ministry you are supporting in the memo line)

944 24 1/4 Street Suite 2

Chetek, WI 54728

OR

You can give a gift online: <http://nswi.org/giving>

*Please choose 'Malawi' in the funds list, and the ministry of your choice in 'sub-funds'

Together we give thanks to God for this partnership, we pray for an end to hunger, disasters, illness, and inequity, and ask God to surround those who are suffering with comfort and hope. If you have any questions or would like more detailed information, please feel free to contact me.

Peace,

Deacon Laura Ramlow
